Wales & West Utilities Limited (WWU) response to RIIO-ED2 Informal Licence Drafting Consultation

Thank you for the opportunity to respond to this consultation however the consultation was badged as an ED2 consultation and therefore we assume that the changes only apply to the ED2 documents. If they apply to Gas Distribution Networks, we suggest that they are reissued to the appropriate parties making it clear that the changes apply to all sectors rather than just ED2.

RIIO-ED2 Informal Licence Drafting Consultation

Consultation

Upcoming **Open** Closed (awaiting decision) Closed (with decision)

Publication date
29 September 2022

Closed date
27 October 2022

Industry sector
Transmission Network
Distribution Network

This consultation sets out the proposed changes to the licence conditions required to implement the RIIO-2 price control settlement for the electricity distribution network operators.

Respond name

Main document

RIIO-ED2 Informal Licence Drafting Consultation

Subsidiary documents

- 1** Licence Consultation - Annexes
- 2** Associated Documents
- 3** Issue Logs

We note that on the NIA Gov Document a new paragraph 6.1 has been added and if this change will apply to the Gas Distribution documents then this should be made clear in the consultation and issued to the relevant parties.

Carly Evans
