Dear Amy

Notice to modify the Incentive on Connections Engagement guidance

Thank you for the opportunity to respond to the above Notice dated 4 April 2023. This response is on behalf of UK Power Networks' three distribution licence holding companies: Eastern Power Networks plc, London Power Networks plc, and South Eastern Power Networks plc. We are GB's largest electricity Distribution Network Operator (DNO), dedicated to delivering a safe, secure and sustainable electricity supply to 8.4 million homes and businesses.

We have reviewed the proposed changes to the guidance and support the clarity that they bring to licensees and all other stakeholders regarding the contents of the 31 May 2023 submission. If you have any queries regarding our ICE submissions please do not hesitate to contact Paul Measday in the first instance.

Yours sincerely

James Hope
