

**To: All holders of an electricity supply licence**

**Electricity Act 1989  
Section 11A(2)**

**Notice of statutory consultation on a proposal to modify the standard condition  
22B of all Electricity Supply Licences**

1. The Gas and Electricity Markets Authority ('the Authority')<sup>1</sup> proposes to modify the standard conditions of all electricity supply licences granted or treated as granted under section 6(1)(d) of the Electricity Act 1989 by amending Standard Licence Condition (SLC) 22B (Requirements to make all tariffs available to new and existing customers).
2. Currently the licence condition sets out that the end-date under SLC 22B.5 expires on 31 March 2024 with powers to extend that date on a yearly basis. We committed to a staggered approach to the BAT's removal over the coming year and as such, we exercised our powers to extend SLC 22B from 1 April 2024 for another 12 months and published a written statement to that effect on 23 February 2024. We are now consulting on the removal of SLC 22B within six months of this extension, and to that effect we are proposing modifications to SLC 22B of the Electricity Supply Licences to remove this licence condition from 1 October 2024, as set out in Appendix 1 to this notice.
3. Our proposed modifications will enable a smoother glide path as we remove our market stability measures and re-emerge from the wholesale price crisis. It will also help to manage any market uncertainty arising from the removal of the Market Stabilisation Charge (MSC).
4. A detailed description of the reasons for and the effects of these licence modifications has been published by the Authority in the accompanying consultation, which can be found at:  
  
<https://www.ofgem.gov.uk/publications/statutory-consultation-removing-ban-acquisition-only-tariffs>
5. A copy of the proposed modification and other documents referred to in this Notice have been published on our website ([www.ofgem.gov.uk](http://www.ofgem.gov.uk)). Alternatively, they are available from [information.rights@ofgem.gov.uk](mailto:information.rights@ofgem.gov.uk).
6. Any representations with respect to the proposed licence modification/modifications must be made on or before 11 June 2024 to: Derek Breslin, Office of Gas and Electricity Markets, 10 South Colonnade, Canary Wharf, London, E14 4PU or by email to [retailpolicyinterventions@ofgem.gov.uk](mailto:retailpolicyinterventions@ofgem.gov.uk)
7. We normally publish all responses on our website. However, if you do not wish your response to be made public then please clearly mark it as not for publication. We prefer to receive responses in an electronic form so they can be placed easily on our website.

<sup>1</sup> The terms "the Authority", "we" and "us" are used interchangeably in this document.

8. If we decide to make the proposed modification it will take effect not less than 56 days after the decision is published.
