
Green Generation Energy Networks Cymru Limited - Notice of grant of electricity distribution licence

The Gas and Electricity Markets Authority (“the Authority”) hereby gives notice pursuant to section 6A(5) of the Electricity Act 1989 (“the Act”) that on 5 July 2024 an electricity distribution licence was granted under section 6(1)(c) of the Act to Green Generation Energy Networks Cymru Limited (company number 13060815) whose registered office is situated at Hodge House, Guildhall Place, Cardiff, CF10 1DY, United Kingdom (“the Licence”) authorising it to distribute electricity in the area specified in Schedule 1 (attached) for the purpose of giving a supply to any premises.

Under section 8A(2) of the Act, the Authority has modified the standard conditions of the Licence. The modifications (as proposed) are set out in the Notice under section 8A(3) of the Act which we published at:

[Green Generation Energy Networks Cymru Limited – Notice of Statutory Consultation | Ofgem](#)

The reason why the Authority made the licence modifications is to protect the interests of consumers by:

- (a) ensuring that the standard licence conditions applicable to Distribution Services Providers are disapplied in relation to Electricity Distributors to whom the requirements of Section B of the standard conditions do not apply;¹
- (b) regulating Green Generation Energy Networks Cymru Limited’s charges in respect of domestic customers for the use of its distribution system on grant of the Licence; and
- (c) imposing requirements on Green Generation Energy Networks Cymru Limited in respect of its creditworthiness and indebtedness on grant of the Licence.

¹ Under Standard Condition 32.1, Section B of the Distribution Licence has effect if either of the following two circumstances apply: (a) the Secretary of State has provided, by a scheme made under Schedule 7 to the Utilities Act 2000, that Section B will have effect; or (b) the Authority has given a Distribution Services Direction to the licensee under paragraph 3 of standard condition 3. Neither of these circumstances applies to Green Generation Energy Networks Cymru Limited.

This document is notice of the reasons for the Authority's decision for the purposes of section 49A(2) of the Act.

A copy of this licence is available from Ofgem's Electronic Public Register or by email at Licensing@ofgem.gov.uk.
