Dear Company Secretaries and Stakeholders,

**Erratum Notice - Final Determinations on Scottish Hydro Electricity Power
Shetland Enduring Solution Re-opener application.**

In December 2024, we published our Final Determination on our determined efficient cost allowance for Scottish Hydro Electric Power Distribution (SHEPD) 'Shetland Standby Project¹.'

To implement our decision as set out in the Final Determination, the Authority² also published a direction in accordance with the provisions set out in Special Condition (SpC) 3.2 Part O of (SHEPD) Electricity Distributions³ Licence. The direction specifies the associated funding adjustment, outputs, and the Regulatory Years to which that adjustment relates to. The licensee is required to comply with the direction issued by the Authority.

It has come to our attention, however, that there are some minor errors contained in the published Final Determination and accompanying direction. It is therefore necessary to consolidate all the necessary changes as part of this housekeeping amendments to the relevant documents. Attached to this letter in **Appendix 1**, is an error log setting out the

² References to the "Authority", "Ofgem", "we" and "our" are used interchangeably in this document. The Authority refers to GEMA, the Gas and Electricity Markets Authority. The Office of Gas and Electricity Markets (Ofgem) supports GEMA in its day to day work.

³ SHEPD is one of the licensees under the Scottish and Southern Energy Networks (SSEN) group of network companies.

identified errors and the amendments we made to correct them. Alongside this erratum notice, we have republished a 'revised' Final Determination document and associated direction for SHEPD's Shetland 'Shetland Standby Project.

Yours faithfully,

Evan Alaa

Senior Policy Manager

Appendix 1: Errata List for the Final Determinations on SHEPD Shetland Enduring Solution Re-opener application 2024

Document	Page/paragraph reference	Error - Note	Correction
Shetland Enduring Solution Final Determination	Page 7	In Table 1, the amount for RIIO-ED3 final allowances is listed as £65.42m. This should be £43.61m as per draft allowances. ⁴	This error has been corrected and reflected in the revised Shetland Enduring Solution Final Determination document, dated 10 February 2025.
Shetland Enduring Solution - direction	Page 1	In the Direction issued pursuant to SpC 3.2, in paragraph 5, the price base is incorrectly shown as 2018/19, this should be 2020/21.	This error has been corrected and reflected in the revised Shetland Enduring Solution direction notice, dated 10 February 2025.
Shetland Enduring Solution - direction	Page 2	Due to rounding the total allowance, table A1 gives the RIIO-ED2 total allowance as £27.12m, this figure should be £27.13m as per the Final Determination.	This error has been corrected and reflected in the revised Shetland Enduring Solution direction notice, dated 10 February 2025.
