| LI – Substations | 3 |
| LI – Substation Groups | 3 |

Summary – Information Required

One Commentary document is required per DNO Group. Respondents should ensure that comments are clearly marked to show whether they relate to all the DNOs in the group or to which DNO they relate.

Commentary is required in response to specific questions included in this document. DNOs may include supporting documentation where they consider it necessary to support their comments or where it may aid Ofgem's understanding. Please highlight in this document if additional information is provided.

The purpose of this commentary is to provide the opportunity for DNOs to set out further supporting information related to the data provided in the Reinforcement Load Index (LI) Reporting Pack.

LI – Substations

| |
|--|
| Commentary/documentation relating to reporting year |
| |

| |
|--|
| Commentary/documentation relating to innovative solutions. Please describe the methodology used to calculate the additional capacity and the demand change for each solution. |
| |

LI – Substation Groups

| |
|--|
| Commentary/documentation relating to reporting year |
| |

Commentary/documentation relating to innovative solutions. Please describe the methodology used to calculate the additional capacity and the demand change for each solution.
