

THE ELECTRICITY ACT 1989
Section 11A

**MODIFICATION OF STANDARD CONDITIONS OF ELECTRICITY
GENERATION LICENCES GRANTED OR TREATED AS GRANTED UNDER
SECTION 6(1)(a) OF ELECTRICITY ACT 1989**

Whereas:

1. Each of the companies to whom this document is addressed holds an electricity generation licence, granted or treated as granted under section 6(1)(a) of the Electricity Act 1989 ("the Act"), authorising them to generate electricity subject to the conditions contained in that licence.
2. In accordance with section 11A(3) of the Act, the Gas and Electricity Markets Authority ("the Authority") gave notice ("the notice") on 13 July 2006 that it proposed to modify the standard licence conditions ("SLCs") of electricity generation licences.
3. The notice proposed modifications to SLC 1 (Definitions and Interpretation) of the electricity generation licences.
4. Objections or representations to the proposed modifications were required to be made on or before 10 August 2006. The Authority did not receive any objections.
5. The Authority sent a copy of the notice to the Secretary of State and to energywatch. The Secretary of State did not direct the Authority not to make the proposed modifications.
6. In accordance with section 49A of the Act, the Authority published its decision about the proposed modifications and the reasons for that decision on 11 August 2006 in a letter entitled, "Decision in respect of licence modifications required as a consequence of the introduction of interconnector licences: statutory notices under section 11 and section 11A of the Electricity Act 1989" ("the decision letter").

Modification

In accordance with the powers contained in section 11A(1) of the Act, the Authority hereby modifies paragraph 6 of SLC 1 (Definitions and Interpretation) of the electricity generation licences in the manner specified in the schedule to this document. That modification shall have effect on and from a time immediately after the modification to paragraph 1 of SLC 1 (Definition and Interpretation) of the electricity generations licence has effect on 14 August 2006.

The Official Seal of the Authority here affixed is authenticated by the signature of:

SCHEDULE 1

Condition 1. Definitions and Interpretation

No modifications are proposed to paragraphs 1-5 (inclusive) of this condition.

6. Any reference in these standard conditions to:

- (a) a provision thereof;
- (b) a provision of the standard conditions of electricity supply licences, or
- (c) a provision of the standard conditions of electricity distribution licences, or
- (d) a provision of the standard conditions of electricity transmission licences, or
- (e) a provision of the standard conditions of electricity interconnector licences,

shall, if these standard conditions or the standard conditions in question come to be modified, be construed, so far as the context permits, as a reference to the corresponding provision of these standard conditions or the other standard conditions in question as modified.

No modifications are proposed to paragraphs 7-11 (inclusive) of this condition.
