

OFGEM Small Medium Users Group

Group Composition

Chair: Alistair Buchanan/Sarah Harrison

- Ofgem representatives to be determined by the agenda
- Small/medium customers and representatives organisations

Proposed Terms of Reference

- The objective of convening the group is to provide an opportunity for two-way dialogue between Ofgem and small/medium business consumers of gas and electricity.
- The group will have the scope to discuss a range of policy issues which impact upon gas and electricity markets.
- Ofgem will use the feedback provided by group members, including their experience of participating in energy markets, to inform policy decisions.
- Membership of the group will be at the invitation of Ofgem and will be limited to a number which will allow for round-table discussions. Ofgem staff with responsibility for specific policy areas will be invited to join the meeting when appropriate.
- Agenda items may be tabled by all members of the group.
- The group will meet 2 times each year.
