

DCG Workshop: Prepayment

Agenda for DCG Workshop on Prepayment	From People invited	Ofgem Subgroup 1 members and Prepayment Experts
	Date and time of Meeting	Wednesday 08 December 1.30pm – 4:30pm
	Location	Ofgem, Room 8

AIM:

To cover a wide range of issues related to prepayment – consumer protection requirements, implications for the technical specification of the smart metering system and the role of DCC in facilitating the prepayment arrangements.

1. Introduction and workshop objectives**2. Objectives of prepayment arrangements under smart metering****3. Requirements of 'smart PPM' after DCC Go Live**

Note: This workshop should not be confused with the meeting on Thursday 09 December 2010 which is considering the licence conditions that should apply to provide consumer protection in relation to switching customers to PPM and to disconnection of supply.
