

The background of the slide features a large, stylized white arrow pointing to the right, overlaid on a blurred image of a modern building with solar panels and a large white gear. The overall color palette is light blue and white.

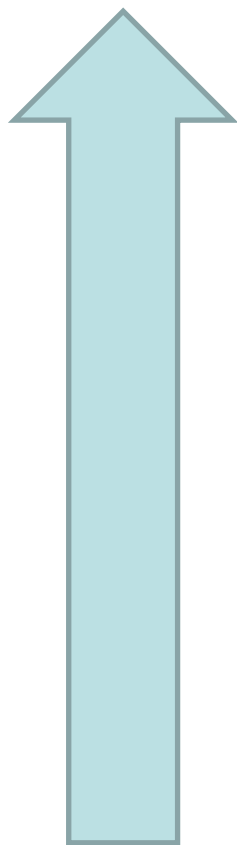

# Data Use Workshop

25 November 2010

# The Prospectus design on a page

# DCC: Scope

**Evolution and flexibility**

Consumer value-added services	Data aggregation and storage
Extra-industry services	Data processing
Smart grid (evolved requirements)	Change of supplier data
Smart grid (initial requirements)	Meter registration
Translation services (head ends)	Scheduled data retrieval
<b>Secure communications and access control</b> A set of communication technology solutions and corresponding contacts enabling national coverage, coupled with a secure access control function	

**Require further analysis**

**Should be enabled over time**

**Proposed initial scope**
