

Offshore Transmission: Cost Assessment Workshop

Tuesday 2 July 2013

9.30-13.00

BIS Conference Centre

1 Victoria St, London SW1H 0ET

Ofgem E-Serve will be holding an industry workshop to discuss the Offshore Transmission Cost Assessment process. Topics for discussion will include Cost Assessment Methodologies, process improvements and benchmarking. A full agenda for this event will be circulated a week in advance of the workshop.

Confirming your attendance

If you or a colleague would like to attend this event, please email offshore@ofgem.gov.uk to confirm, by Wednesday 26 June. Any subsequent changes in attendees should also be emailed to offshore@ofgem.gov.uk
