Project code:	UKPNT205	Question Number	9
Question date	29 August 2013	Answer date	2 September 2013
Submission section question relates to	Section 2: Project description		
Topic	Technical		
Question	If room temperature is only available post-event, what is the time delay?		
Notes on question			
Answer	This is dependent on the selected solution. V-CEE plans at a minimum for readings to be collected periodically throughout the trials at a frequency of three months (for least disruption to trial participants). This collection will be manual through a home visit to the trial participant.
